IN MYSORE, BANGALORE,

Date 18th November 1942.

CHIEF SECTION
19. NOV. 1942
GOVT. OF MYSORE

To

Mohamed-ul-mulk
M. G. MEHKRI, ESQ., B.A., LL.B.,
Chief Secretary to Government,
BANGALORE.

Sir,

SUBJECT:- Shifting the wall telephone at Mandya District Office to the District Treasury Guard Room.

I have the honour to enclose a copy* of letter No.T.C.215/42-42 dated 29th October 1942 from the Deputy Commissioner and A.R.P. Controller, Mandya District and to state that the shifting of the telephone from the District Office to the Treasury Guard room, facilitates communicating the messages of air raid warnings etc., to the Deputy Commissioner A.R.P. Controller, Mandya District, more quickly than at present.

I request, therefore, that the sanction of Government may kindly be conveyed to incur the expenditure of Rs.200/- on this account out of the allotment of Rs.3,80,000/- sanctioned in G.O. No.1485-95/W dated 4th September 1942 for A.R.P.

Pending sanction of Government the A.R.P. Controller, Mandya, has been requested to get the work executed.

I have the honour to be,
Sir,
Your most obedient servant,

*(Vide overleaf)

Inspector General of Police.

K.G.C.

Letter No.T.C.215/41-42 dated 29th October 1942 from the Deputy Commissioner, and A.R.P. Controller, Mandya District, Mandya, to the Inspector General of Police in Mysore, Bangalore.

========

I have the honour to state that the telephone in Mandya District Office is at present located in a corner in the upstairs and if any air raid warnings are received out of office hours and during nights it is very difficult to get a response as it has not been possible to post a man at the telephone booth throughout the time. Further the phone provided at the Deputy Commissioner's Bungalow has no direct connection and unless the connection is given by some one at the telephone booth in the District Office, messages from outside cannot reach the Deputy Commissioner's Bungalow. In view of the foregoing difficulties a reference was made to the Superintendent, Power and Light, Mysore, to shift the telephone in the District Office Buildings to the Treasury Guard Room, where the Guards would always be present and alert to attend the telephone calls. The Superintendent, Power and Light, Mysore has forwarded an estimate amounting to Rs.200/- to shift the telephone and I request that the estimate, which is enclosed herein after countersignature, may kindly be sanctioned and returned, the expenditure of Rs.200/- in this connection being permitted to be incurred out of the A.R.P. Funds placed at your disposal, so that the Superintendent, Power and Light, Mysore, may be requested to shift the telephone immediately to the Treasury Guard room from its present place.
